ROBERT L. IRISH

1. Let ev-ery good The-ta now fill up his glass, Vi-ve le The-ta  
2. Come fill up your glasses we love her the most, Vi-ve le The-ta  
3. We owe her al-le-giance, we swear it a-new, Vi-ve le The-ta  
4. Each time as we ga-ther, our broth-ers to greet, Vi-ve le The-ta

Chi, And drink to the health of her glo-ri-ous past, Vi-ve le The-ta  
As we drink to the health of our pride and our host,  
Chi, For the best that is in us to her cre-dit's due, Vi-ve le The-ta  
There's no stint to the cheer and the joy of the meet,  
Chi, Vi-ve le The-ta

Chi. Vi-ve le, vi-ve le The-ta Chi. Vi-ve le, vi-ve le The-ta Chi. A-

gain and a-gain, a-gain and a-gain, Vi-ve le The-ta Chi. —
